

CTG Announces 10b5-1 Plan to Facilitate Continued Share Repurchases

July 6, 2017

BUFFALO, N.Y., July 06, 2017 (GLOBE NEWSWIRE) -- CTG (NASDAQ:CTG), an information technology (IT) solutions and services company, today announced it has extended its systematic repurchase plan under Rule 10b5-1 of the Securities and Exchange Commission (the "Plan") to facilitate the continued repurchase of shares as part of its existing stock buyback program. The Plan enables shares to be purchased during an otherwise self-imposed blackout period between quarter-end and the reporting of the Company's financial results. The Company had approximately \$5.5 million available under its outstanding repurchase authorization as of June 30, 2017.

The Plan is effective from July 7, 2017 until the day following the Company's release of its 2017 second quarter financial results. The Plan allows for the repurchase of shares during the time following the close of a quarter and the announcement of quarterly financial results when the Company's stock repurchase policy does not allow for the direct purchase of shares by the Company. Repurchases are subject to SEC regulations as well as certain price, market, volume, and timing constraints specified in the Plan. The Plan does not require that any shares be purchased.
