

Computer Task Group, Incorporated Commences Modified Dutch Auction Tender Offer to Repurchase up to 1,530,990 Shares of Its Common Stock

March 16, 2018

BUFFALO, N.Y., March 16, 2018 (GLOBE NEWSWIRE) -- Computer Task Group, Incorporated (NASDAQ:CTG) today commenced its modified "Dutch Auction" tender offer to repurchase up to 1,530,990 shares of its common stock (subject to a customary increase if the tender offer is oversubscribed), as previously announced on February 15, 2018.

Computer Task Group, Incorporated shareholders may tender all or a portion of their shares (1) at a price specified by the tendering shareholder of not less than \$8.05 per share and not more than \$9.00 per share or (2) without specifying a purchase price, in which case their shares will be purchased at the purchase price determined in accordance with the tender offer. When the tender offer expires, Computer Task Group, Incorporated will determine the lowest price within the range of prices specified above that allows it to purchase 1,530,990 shares of its common stock.

The company will fund the tender offer with a combination of existing cash resources, borrowings under its credit agreement with KeyBank and loans against its life insurance policies.

Shareholders will receive the purchase price in cash, subject to applicable withholding and without interest. The shareholders' shares must have been tendered at prices equal to or less than the purchase price determined after the tender offer window closes, subject to conditions of the offer. These conditions include provisions related to proration, "odd lot" priority and conditional tenders in the case that more than 1,530,990 shares are tendered.

These provisions are described in the "Offer to Purchase" and the "Letter of Transmittal" relating to the tender offer that are being filed with the U.S. Securities and Exchange Commission. Computer Task Group, Incorporated also reserves the right to purchase up to an additional 2% of its shares outstanding without extending the tender offer. All shares purchased by Computer Task Group, Incorporated will be purchased at the same price. All shares tendered at prices higher than the purchase price will be promptly returned to shareholders at Computer Task Group, Incorporated's expense.

The tender offer will not be conditioned on any minimum number of shares being tendered; however, the tender offer will be subject to a number of other terms and conditions specified in the Offer to Purchase. The tender offer and withdrawal rights will expire at midnight, at the end of the day on April 16, 2018, unless extended or terminated by Computer Task Group, Incorporated.

Tenders of shares must be made prior to the expiration of the tender offer and may be withdrawn at any time prior to the expiration of the tender offer. Shareholders wishing to tender their shares but who are unable to deliver them physically or by "book-entry transfer" prior to the expiration of the tender offer, or who are unable to make delivery of all required documents to the depository prior to the expiration of the tender offer, may tender their shares by complying with the procedures set forth in the Offer to Purchase for tendering by notice of guaranteed delivery. Georgeson LLC is serving as information agent for the tender offer. Georgeson Securities Corporation is acting as dealer manager. Computershare Investor Services is acting as the depository for the tender offer.

Computer Task Group, Incorporated's board of directors has authorized the tender offer. However, none of the company, the company's board of directors, the dealer manager, the information agent, the depository or any of their affiliates makes any recommendation to shareholders as to whether to tender or refrain from tendering their shares or as to the price or prices at which shareholders may choose to tender their shares. No person is authorized to make any such recommendation. Shareholders must make their own decision as to whether to tender their shares and, if so, how many shares to tender and the price or prices at which their shares should be tendered. In doing so, shareholders should read carefully the information in, or incorporated by reference in, the Offer to Purchase and the Letter of Transmittal (as they may be amended or supplemented), including the purposes and effects of the offer. Shareholders are urged to discuss their decisions with their own tax advisors, financial advisors and/or brokers.
