CTG Recognized as "2017 Best in KLAS" in Partial IT Outsourcing

BUFFALO, N.Y., Jan. 31, 2017 (GLOBE NEWSWIRE) -- [CTG](#) (NASDAQ:CTG), an information technology (IT) solutions and services company, announced today that it has been named "2017 Best in KLAS" in the Partial IT Outsourcing category. KLAS Enterprises, LLC (KLAS), a global research and insights firm, unveiled its "2017 Best in KLAS: Software and Services" report today, which recognized CTG as a 2017 award winner. The annual Best in KLAS rankings recognize vendor solutions that received the highest provider scores for software and professional services.

Over the last three decades, [CTG Health Solutions](#) has provided reliable IT services to more than 700 healthcare clients, including a comprehensive suite of [Application Management Services \(AMS\)](#) for which the Company was recognized as Best in KLAS. CTG has successfully provided Partial IT Outsourcing services to more than 70 healthcare clients. Delivered by expert healthcare IT (HIT) management and technical consultants, CTG's teams provide dependable, high-quality maintenance, support, and upgrades for both legacy and current production applications, including specialized helpdesk support offerings that meet the unique needs of IT, clinical, and patient end users. CTG also provides legacy data archiving support to many AMS clients in preparation for their transition to new systems.

"Being honored as a 2017 Best in KLAS award recipient reflects CTG's commitment to providing reliable, value-based solutions that meet the needs of our healthcare clients," said Bud Crumlish, CTG's President and Chief Executive Officer. "This award demonstrates our continuous development and progress in offering industry-leading HIT solutions that draw upon the Company's wide range of capabilities to help clients navigate a rapidly changing healthcare environment."

In addition to being recognized in the "2017 Best in KLAS: Software and Services" report, CTG Health Solutions has been recognized as a *Modern Healthcare* Best Places to Work in Healthcare company each year since 2013, and as a *Healthcare Informatics* Top 100 firm since 2008. Today, CTG is also ranked in the top 20 Largest U.S. IT Staffing Firms, as reported by Staffing Industry Analysts.

"We are honored to be recognized by our clients as the number one provider of Partial IT Outsourcing services. This Best in KLAS award demonstrates CTG's commitment to always do what is right for the client and to provide services that deliver measurable results," said Angela Rivera, Vice President, Health Solutions. "I want to personally recognize our AMS team for setting a new reliability standard for the HIT services industry, which ultimately serves to benefit our clients, employees, partners, and shareholders. The importance of CTG's reliability is evident in our achievement of 77 percent repeat client business in 2015 and our many client relationships exceeding 10 or more years. Ultimately, it is our clients' success that proves our value and their direct feedback through KLAS is one of the strongest indicators of the quality of services and value our teams deliver."

CTG and other 2017 Best in KLAS winners will be recognized at an awards reception at the Healthcare Information Management and Systems Society (HIMSS) Annual Conference and Exhibition on Sunday, February 19, 2017, at the B Resort & Spa in Orlando, Florida.
