## CTG Announces Extension of 10b5-1 Plan to Facilitate Share Repurchases

BUFFALO, N.Y., April 06, 2017 (GLOBE NEWSWIRE) -- CTG (NASDAQ:CTG), an information technology (IT) solutions and services company, today announced it has extended its stock repurchase plan under Rule 10b5-1 of the Securities and Exchange Commission (the "Company 10b5-1 Plan") to facilitate the repurchase of its common shares. The Plan enables shares to be purchased during an otherwise self-imposed blackout period between quarter-end and the reporting of the Company's financial results. The Company had approximately \$6.9 million available under its outstanding repurchase authorization as of March 31, 2017.

The Company 10b5-1 Plan is effective from April 6, 2017 until the day following the Company's release of its 2017 first quarter financial results. The Plan allows for the repurchase of shares during the time following the close of a quarter and the announcement of quarterly financial results when the Company's stock repurchase policy does not allow for the direct purchase of shares by the Company. Repurchases are subject to SEC regulations as well as certain price, market, volume, and timing constraints specified in the plan. The Plan does not require that any shares be purchased.

### About CTG

CTG provides industry-specific IT services and solutions that address the business needs and challenges of clients in high-growth industries in North America and Western Europe.
